01

OPEN SETTINGS

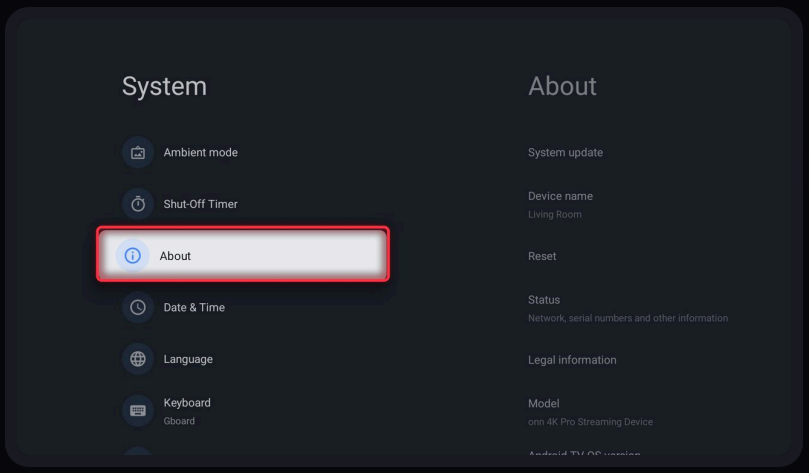

Press **Home**, go to the ⚙ gear at the top right and select **All settings**.

02

OPEN SYSTEM

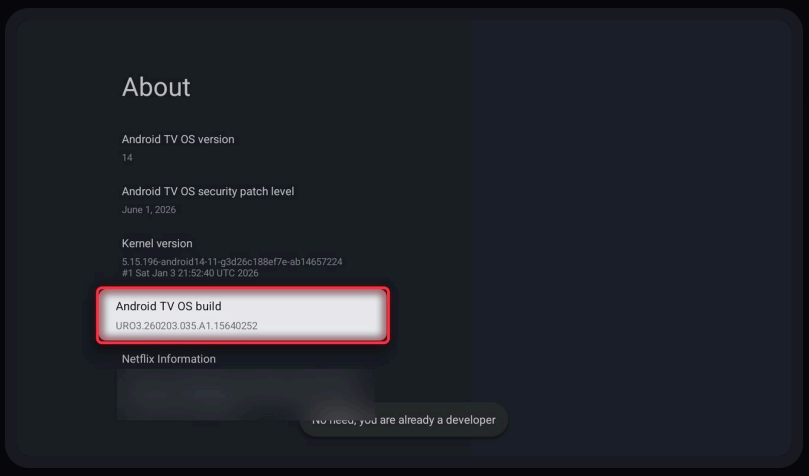

Select **System**.

03

OPEN ABOUT

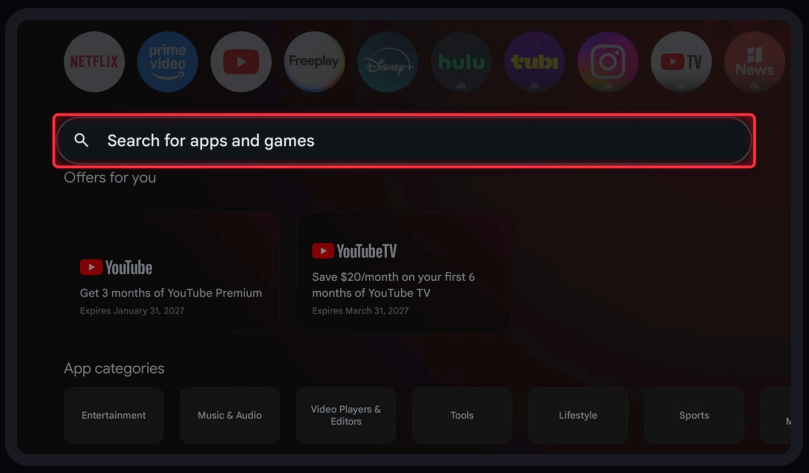

Select **About**.

04

TURN ON DEVELOPER OPTIONS

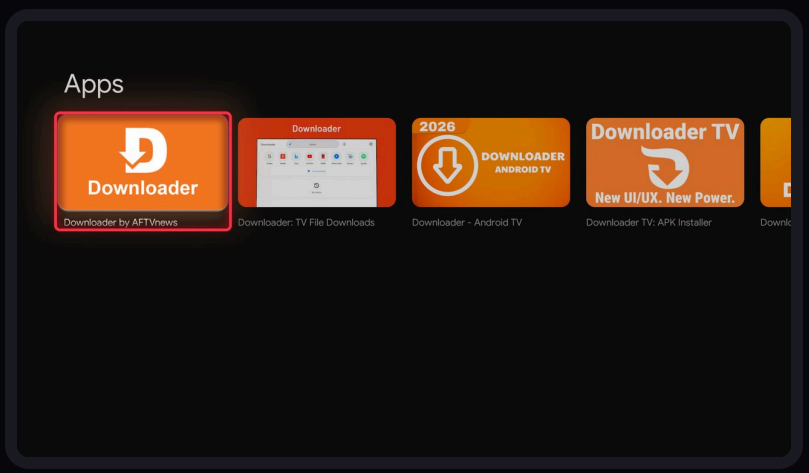

Scroll down to **Android TV OS build** and press OK **7 times**, until it says **"You are now a developer"**. "Already a developer" means you're set.

05

SEARCH FOR DOWNLOADER

Press **Home**, go to **Apps** at the top, select **Search for apps and games** and type **downloader**.

06

PICK "DOWNLOADER BY AFTVNEWS"

Select **Downloader by AFTVnews** (there are look-alikes).

07

INSTALL IT

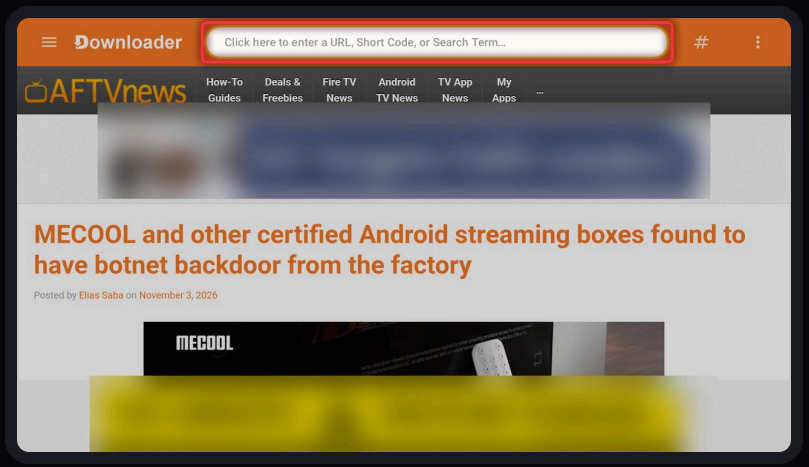

Select **Install**.

08

OPEN DOWNLOADER

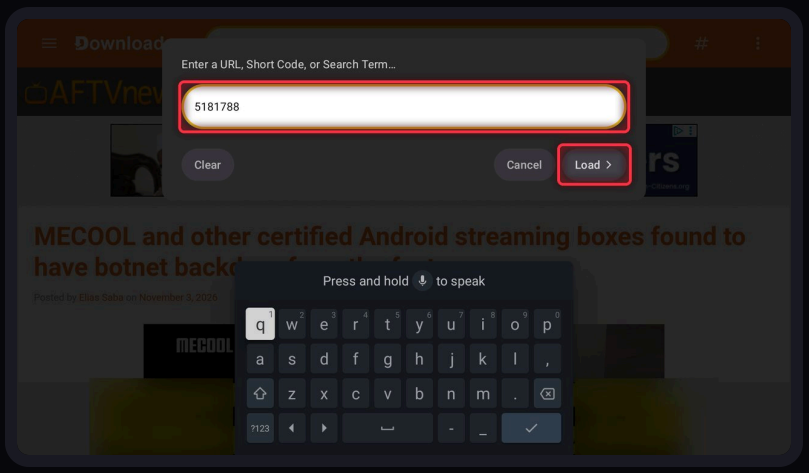

Select **Open** and close any pop-ups.

09

GO TO THE ADDRESS BAR

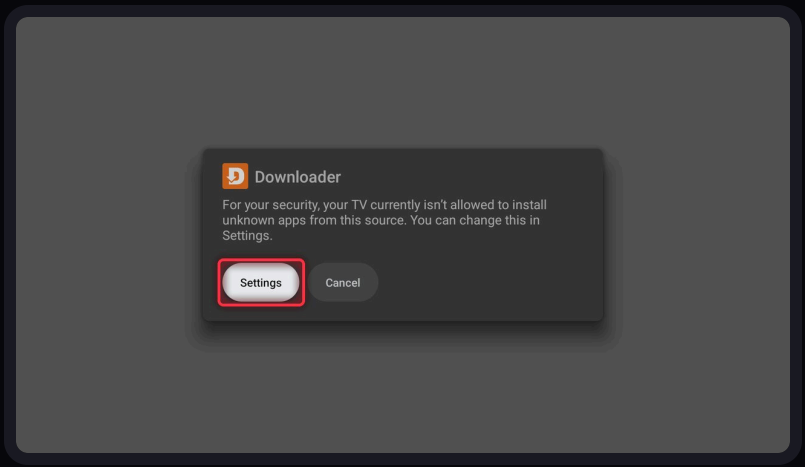

Downloader opens on a news page (ignore the ads). **Hold UP**, press **RIGHT** once so the white bar is outlined, then press OK.

10

ENTER THE PROTV CODE

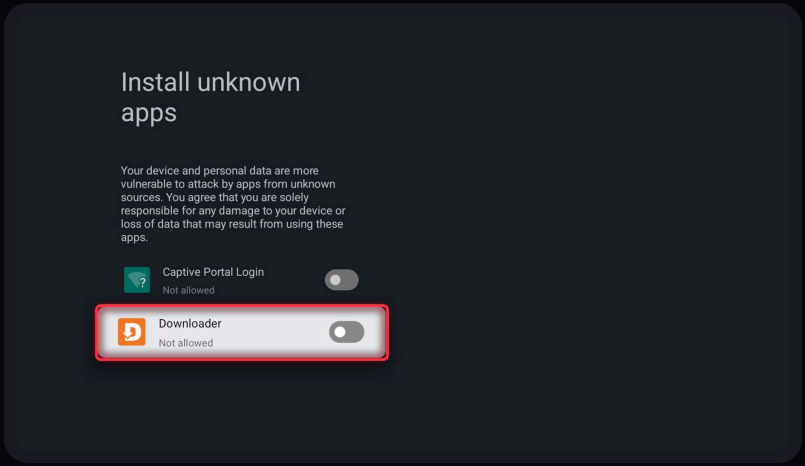

Type **5181788** (numbers are under **?123**) and select **Load**.

11

ALLOW DOWNLOADER TO INSTALL APPS

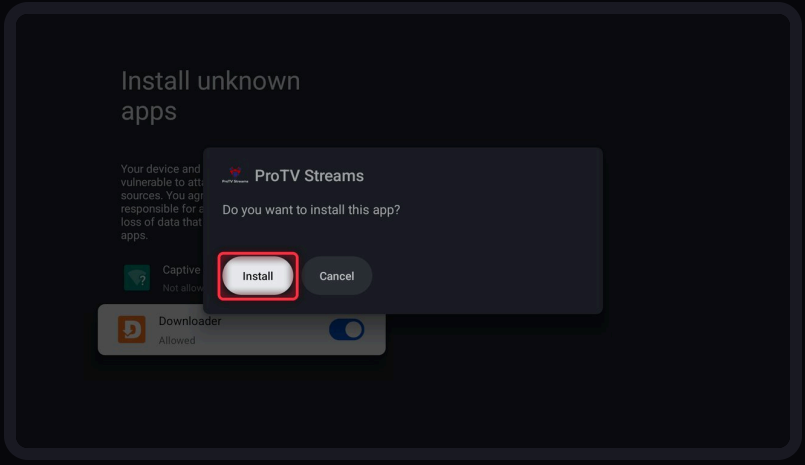

Let it download and don't press anything (the highlighted button is Cancel). When this pops up, select **Settings**.

12

TURN ON DOWNLOADER

Turn on **Downloader**.

13

INSTALL PROTV

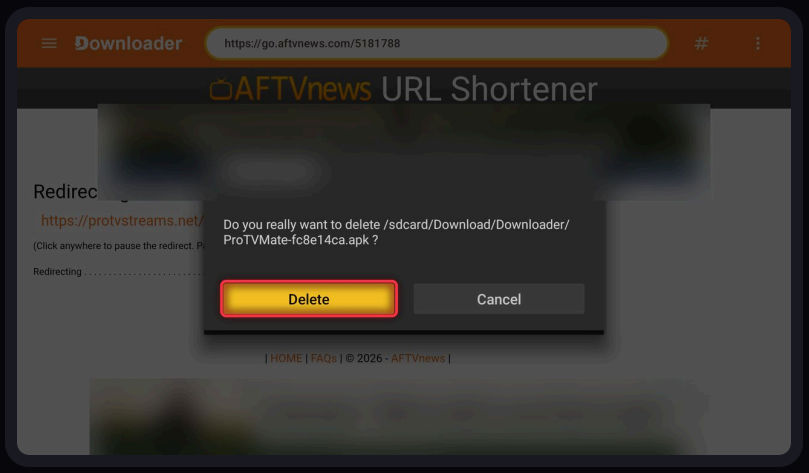

Select **Install**.

14

SELECT DONE

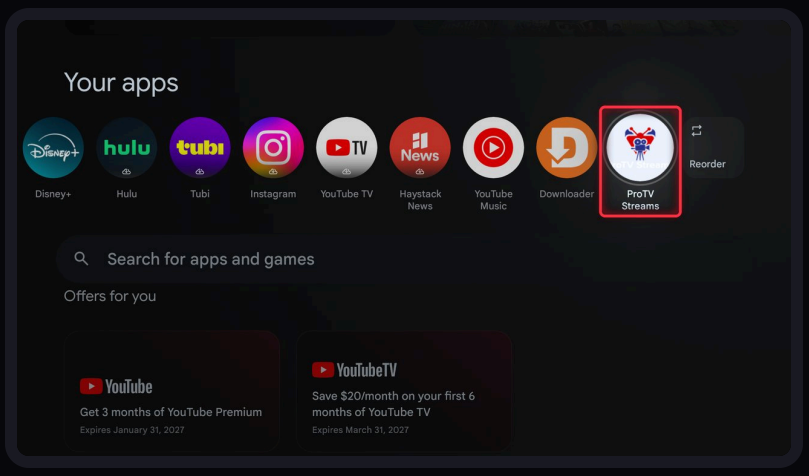

Select **DONE**.

15

DELETE THE INSTALLER FILE

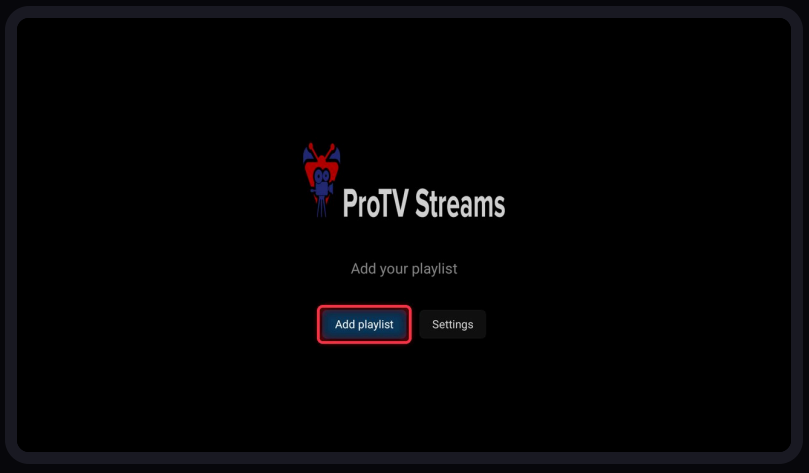

Select **Delete**, then **Delete** again. This only frees up space.

16

FIND PROTV

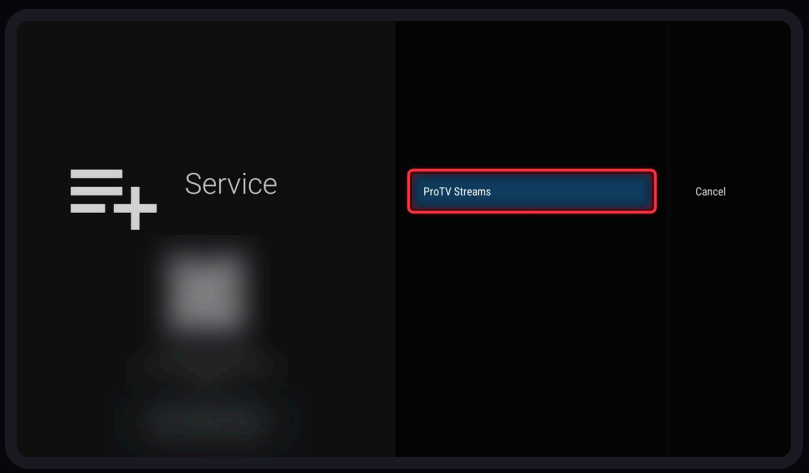

Press **Home**, go down to **Your apps** and press **RIGHT** to **ProTV Streams** (right after Downloader).

17

OPEN PROTV AND ADD YOUR PLAYLIST

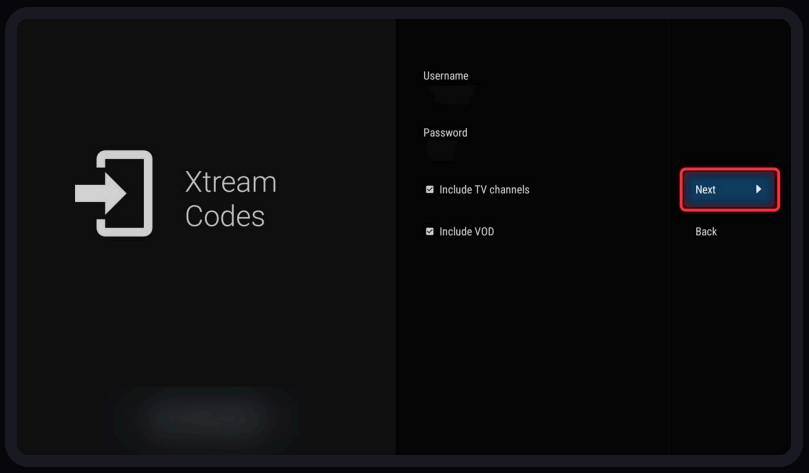

Open **ProTV Streams** and select **Add playlist**.

18

CHOOSE PROTV STREAMS

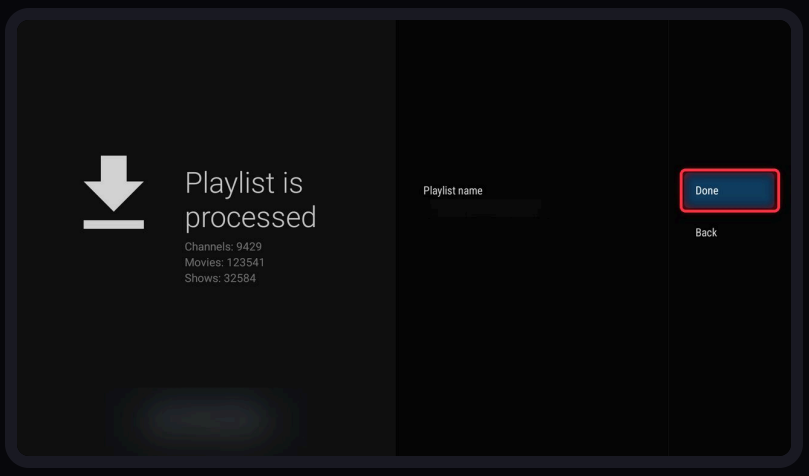

Select **ProTV Streams**.

19

SIGN IN

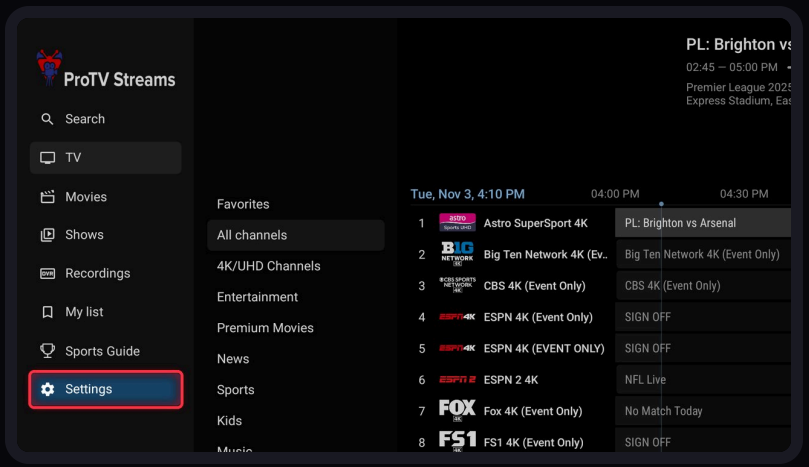

Enter the **username** and **password** we sent you (capitals matter). Leave both boxes ticked and select **Next** on the right.

20

WAIT FOR YOUR CHANNELS TO LOAD

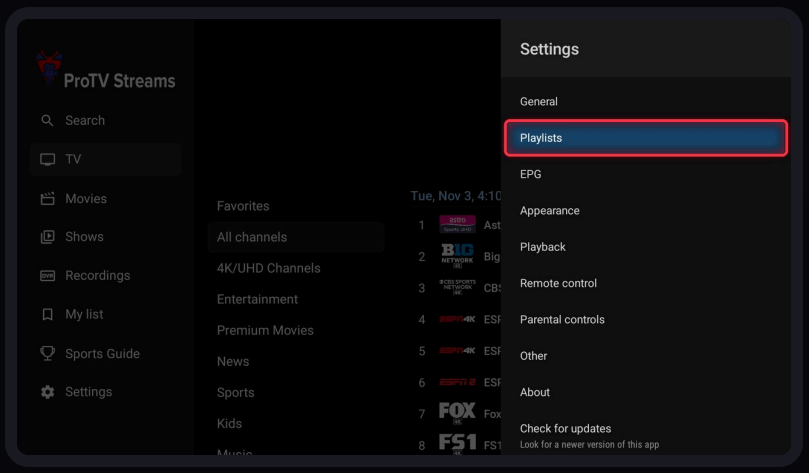

Give it about a minute, then select **Done**. Wait for the TV guide to open.

21

OPEN THE APP'S SETTINGS

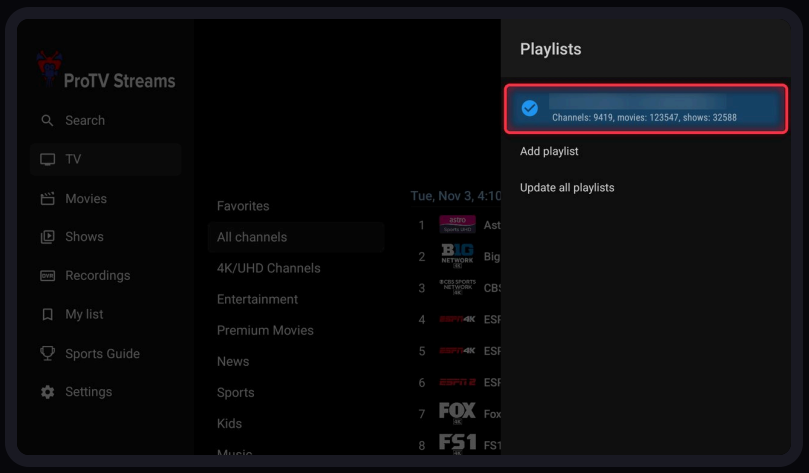

Press **LEFT twice** to open the menu and select **Settings** at the bottom.

22

OPEN PLAYLISTS

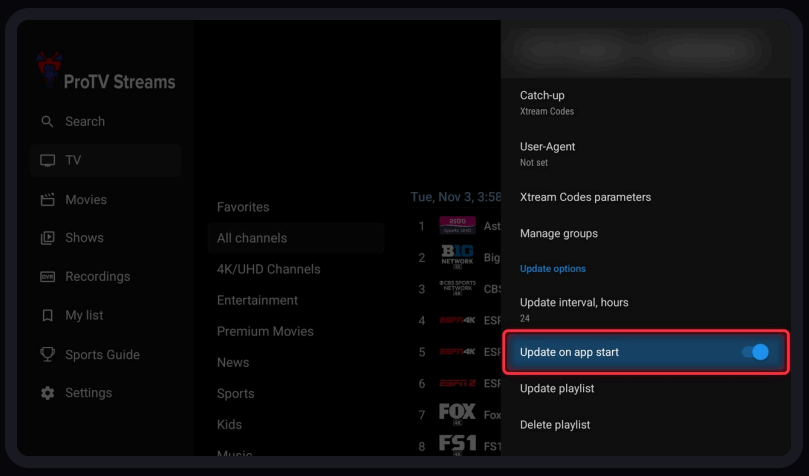

Select **Playlists**.

23

OPEN YOUR PLAYLIST

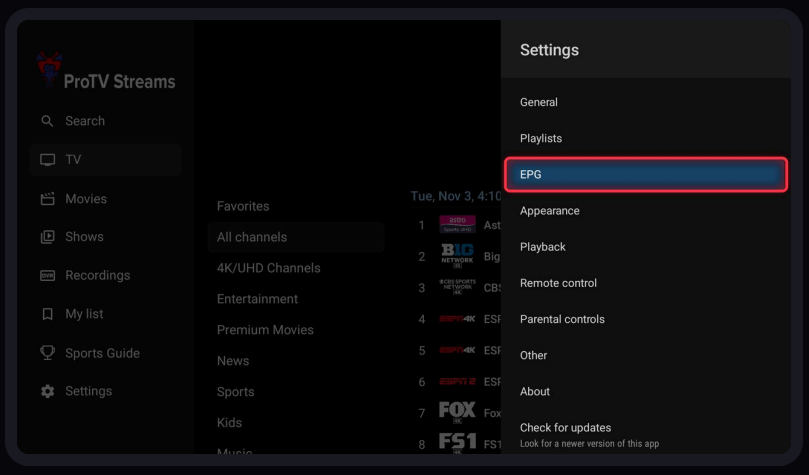

Select your **ProTV Streams** playlist.

24

TURN ON "UPDATE ON APP START"

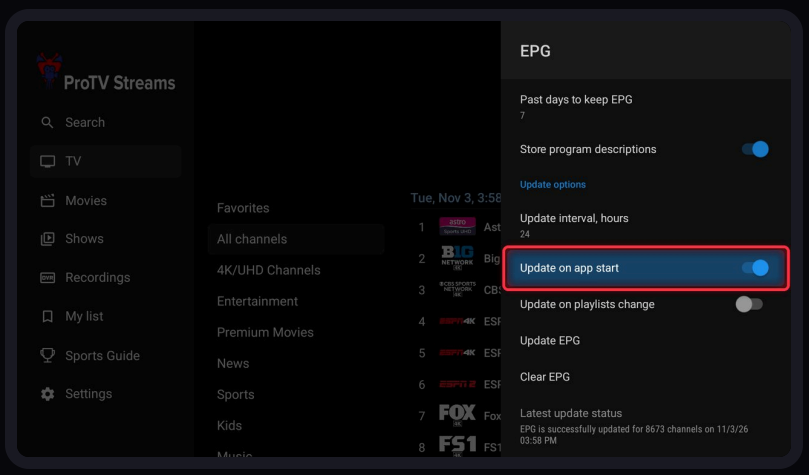

Scroll down and turn on **Update on app start**.

25

OPEN EPG (THE TV GUIDE SETTINGS)

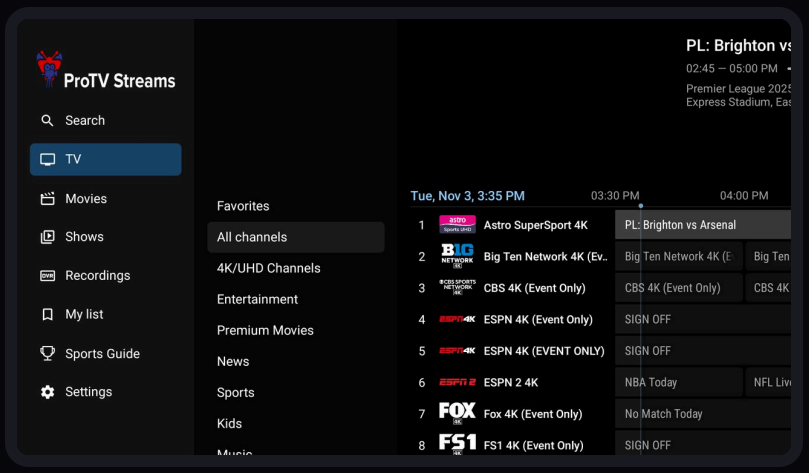

Press **BACK** twice and select **EPG**.

26

TURN ON "UPDATE ON APP START" HERE TOO

Turn on **Update on app start** here too.

27

YOU'RE ALL SET

Press **BACK** twice to close Settings. To watch, pick a channel and press **OK**. Press **LEFT twice** any time for Movies, Shows and the Sports Guide.
